

Meadows End, Amidst The Villains

In a time... In a time where the wizards and the elves where still unbound.
A man of Myth with stories yet untold broke upon the shore.
Tales of nightmares reef and dawn no more.
Ages has passed since the dawn did not descend into the land of the unknown.
Faces has come, faces has gone.
But the Truth remains unknown.
Herald of War, can it be stopped?
No one knows...
The people has been betrayed by the hands who they have fed

All the Mortals sworn to serve upon the light.
At ravenwfields they meet to be unbound
They need a leader that to follow and to sway this Holy War
But wheres this Chosen One to be found?

Search within yourself!
The wise man he had spoken of betray.
Among the mortals there were villains of cold age,
Assassins in the core, Of nightmares reef and dawn no more

A scent of fortune fouled this war, their leader was bought by the Dark.
Now light alone cant clear this path, with good fate salvations undone

As a mortal I shall serve upon the Light!
I shall walk Amidst The Villains to the night.
Yet again the dawn did not descend.
