

# Meadows End, Everlasting

When life gets by beyond the threshold of its tide.  
As man reveals enigmas and and caress themselves with pride.  
The answers are foretold therein the truth will be denied.  
It dwells beneath the lust of lies and there it scorns the knight in me.

The evolutions own solution time will change our way to see.  
The ideal futures an utopia of stupidity.

"In an everlasting world. A dimension of chaospheric loss. Were blinded by the emptiness&q

In an ever lasting world.  
A dimension of chaospheric loss.  
Were blinded by the emptiness.  
Will there be an ordinary plan?  
A way to save ourselves?  
When nothing will transform.  
I hope our dreams sustain.

When life gets by beyond the threshold of its tide.  
As man reveals enigmas and and caress themselves with pride.  
The answers are foretold therein the truth will be denied.  
It dwells beneath the lust of lies and there the everlasting reveals...
