

Meaghan Jette Martin, For that I Hate you

Everyone says I'm too strong
Like a lock that's missin' it's key
You can look but you won't find
What it takes to get into me
Everytime you get too close
Everything about me gets weak
(Daddy's girl) Can never let him know
C'mon!

I tell myself you're not gonna shake me
I tell myself you're too weak to tame me
I tell myself it's no use it's too late

I'm fallin in love
For that I hate you
Can't fight it as hard as I try
I'm fallin in love
For that I hate you
Helplessly outta my mind!
(WOAH!)

Everyone around me says
All the best things in life are free
When it comes to finding love
The only one that's paying is me
Everytime you look my way
All the walls around me get weak
(Daddy's girl!) Don't ever let it show
I tell myself you're not gonna break me
I tell myself you're not gonna make me
I tell myself it's no use it's too late

I'm fallin in love
For that I hate you
Can't fight it as hard as I try
I'm fallin in love
For that I hate you
Helplessly outta my mind
(WOAH!)

(No, no, no) Don't wanna be no sucker for you
(No, no, no) No street performing puppet on cue
I've tried so hard

Don't want to end up your fool
(No. no. no) No! No! I know it's no use

Now I'm fallin in love
I'm goin outta my mind
Can't fight it that's why
Boy that I hate you
And now I'm fallin in love
Can't fight as hard as I try
I'm goin outta my mind
For that I hate you!

I'm fallin in love
For that I hate you
Can't fight it as hard as I try
I'm fallin in love
For that I hate you!
I'm helplessly outta my mind!

(OH)
I'm fallin in love for that I hate you!
Can't fight it as hard as I try
(As hard as I try)
I'm fallin in love for that I hate you
I'm helplessly outta my mind

(Oh)
And now I'm fallin in love
I fight as hard as I try
I'm goin outta my mind

For that I hate you
And now I'm fallin in love
I fight as hard as I try
I'm goin outta my mind
For that I hate you
