

Meat Loaf, Cry To Heaven

(Steinman)

Cry, baby, cry
Cry, cry to heaven
Say a prayer and light a candle
Toll a bell

Cry, baby, cry
Cry, cry to heaven
If that doesn't do it for you
Go ahead, and cry like hell...

Cry, baby, cry
Cry, cry to heaven
Storm the castle, stem the tide
Rise above yourself

Cry, baby, cry
Cry, cry to heaven
If that doesn't do it for you
Go ahead, and cry like
Go ahead, and cry like
Go ahead, and cry like hell...
