

Meat Loaf, Left In The Dark

You don't have to sneak in the door
Just come on into the room
I've been lying in our bed in the dark all alone
And I've been waiting, I've been waiting for you
There's been no reason to move
It's been as still as a tomb
I needed you oh so badly tonight
But I guess you had better things to do

I should have known that it was coming to this
But I must have been blind
I bet you still got a trace of his love in your eyes
And you still got his eyes on your mind
You swore you'd be with me at seven o'clock
Now it's a quarter to three
Well whatever you got and whoever it was
I guess you couldn't get it for me
Whatever you got and whoever it was
I guess you couldn't get it for me

I know that you love me
There's no need to talk
I see the look in your eyes and I got the proof
And there are no lies on your body
So take off your dress
I just want to get at the truth

And there are so many things I just got to know
You tell me who!
You tell me where!
You tell me when!
Ah, but don't tell me now, I don't need any answers tonight
I just need some love, so turn out the light, and I'll be left in the dark again
I just need some love, so turn out the light, and I'll be left in the dark again
Left in the dark again...

I should have known that it was coming to this
But I must have been blind
I bet you still got a trace of his love in your eyes
And you still got his eyes on your mind
You swore you'd be with me at seven o'clock
Now it's a quarter to three
Well whatever you got and whoever it was
I guess you couldn't get it for me
No, I guess you couldn't get it for me

But down in my soul, down in my soul
I know that you love me
There's no need to talk
I see the look in your eyes and I got the proof
And there are no lies on your body
So take off your dress
I just want to get at the truth

And there are so many things I just got to know
You tell me who!
You tell me where!
You tell me when!
Ah, but don't tell me now, I don't need any answers tonight
I just need some love, so turn out the light, and I'll be left in the dark again
I just need some love, so turn out the light, and I'll be left in the dark again
I just need some love, so turn out the light, and I'll be left in the dark again
I just need some love, so turn out the light, and I'll be left in the dark again
I just need some love, so turn out the light, and I'll be left in the dark again

I just need some love, so turn out the light, and I'll be left in the dark again
Left in the dark

[Spoken:]
Who made the very first move?...
