

# Meat Loaf, Lost Boys And Golden Girls

Lost boys and golden girls, down on the corner and all around the world  
Lost boys and golden girls, down on the corner and all round, all around the world

It doesn't matter where they're going or wherever they've been,  
'cause they've got one thing in common it's true  
They'll never let a night like tonight go to waste,  
and let me tell you something, neither will you, neither will you

We gotta be fast  
We were born out of time, born out of time and alone  
And we'll never be as young as we are right now, running away and running for home,  
running for home

[Instrumental]

It doesn't matter where they're going or wherever they've been,  
'cause they've got one thing in common it's true  
They'll never let a night like tonight go to waste,  
and let me tell you something, neither will you, neither will you

Lost boys and golden girls, down on the corner and all around the world
