

Meat Loaf, Masculine

You got me on the run
You got me your way
Now I'm feeling pretty good
And I'm beginning to sweat
Your love is so fine
You got me feeling alright
Going out of my mind
I got to have you tonight

The girl's so deep inside
Like blood in my veins
Never lets me hide
Now I'm going insane
It makes me climb the walls
Bite my nails to the bone
It's always by my side
It never leaves me alone

When it's time to get tough
I'm masculine
When she wants to play rough
I'm masculine
Masculine

I know that I'm a man
From the spark in my soul
It can make you so hot
You go out of control
Grab her by the hair
Drag her back to your cave
It's what makes a man a man
People always stay the same

When it's time to get tough
I'm masculine
Masculine Masculine
When she wants to play rough
I'm masculine
Masculine
Masculine
Masculine

In the heat of the night
Masculine
And the dark of the day
Masculine
Anytime anyplace anyway
Masculine

When it's time to get tough
(masculine masculine)
When she wants to play rough
(masculine masculine)
If you push me I'll shove
(masculine masculine)
When she wants to make love
(masculine masculine) [Repeats to fade]
