

Meat Puppets, For Free

One small touch
Now that's all
This one's for everyone
No more of anything

Here before it's begun
The battle for the future has been won
Here before it's been told
The story of the future has been sold

Dust from scratch
Not for sale
It's free for everyone
This stylish currency

One small touch
Not for sale
It's free for everyone
No more of anything
