

Meat Puppets, Hot Pink

Way off down the road
There comes Wagon Red
Found himself a nickel
Went straight to his head
Get on down
Get on down
Get on down
Whoa
I looked out my window
I saw Medium Joe
Lighting both ends of his candle
Glowing from head to toe
Get on down
Get on down
Get on down
Whoa
New car cherry tomato
Pulled off all the doors
Pulled off the steering wheel
Got the pedal taped to the floor
Get on down
Get on down
Get on down
Whoa
Get on down
Get on down
Get on down
Whoa
Get on down
Get on down
Get on down
Whoa
Get on down
Get on down
Get on down
Whoa
