

# Meat Puppets, No Longer Gone

how much do i owe you?  
i'll pay but i don't want to  
days of where i came from  
in a restaurant in mexico  
they told me not to drink the water  
and not to touch the food  
"all we got is pepsi cola  
and we know that it won't hold you  
but remember what we told you  
no one else knows what's in store  
remember that we told you"
