

# Meat Puppets, The Gold Mine

poor little negro  
sitting in a tree  
eating his favorite  
cocoa leaves  
along came some fellows  
takin' him away  
take away his culture  
put him on a plane  
poor little negro  
sitting in the states  
he's about to try his  
first chocolate shake  
poor little negro  
puking in the sink  
he's regained his culture  
finally found a link
