

# Meat Shits, Revenge On A World Full Of Cunts

Cunt... Bitch... Whore... Slut  
I hate you all eat my f\*\*k  
All I want is your smut  
And to put power drills in your cunts

Your blood on my face excites me  
You f\*\*king little cunt...  
Terror is my lover you will see  
You are the victims I hunt

You say Satan impowers me  
Well that is lie...

You f\*\*ked me over too many times  
Now my power tools are waiting  
To punish you for the crimes  
Made me go mad with hating

You f\*\*king cunts  
I want you no more  
You're the victims I hunt  
Sleezy little whores

You Cunts!!!
