

Meck Ft. Leo Sayer, Thunder In My Heart

Take me baby I'm all yours,
Do just what you wanna do with my love....
Take me baby I'm all yours,
Do just what you wanna do with my love....
with my love, with my love, with my love.....
standing here alone with you
wondering what it is that I'm supposed to do
and there you are with the love light in your eyes
the bridges are burnt down
your arms are open wide
standing here alone with you
wondering what it is that I'm supposed to do
and there you are with the love light in your eyes
the bridges are burnt down
your arms are open wide
Am I in too deep or should I swim to the shore
is this the real thing?
I don't know but I've never been here before
And I feel a thunder in my heart
that I just can't control
And I feel a thunder in my heart
that I just can't control
And I feel a thunder in my heart
that I just can't control
And I feel a thunder in my heart
Should i walk away, or follow my soul
I feel a thunder in my heart
that I just can't control
And I feel a thunder in my heart
Should i walk away, or follow my soul
Take me baby I'm all yours,
Do just what you wanna do with my love....
Take me baby I'm all yours,
Do just what you wanna do with my love....
Take me baby I'm all yours,
Do just what you wanna do with my love....
with my love, with my love, with my love.....
