

# Media Lab, Hate Me Again

I wish everyone here was real  
Didn't pretend to feel  
All the shit they do  
All the shit they do  
F\*\*k you, open your mouth and rape me  
Lovin' to f\*\*king hate me  
I feel the same for you  
Hey you, make it feel the same  
Hate me again  
Hey you, nothing left to tame  
Hate me again  
I will continue to be myself  
Live for no one else  
I wont concede to you
