

Mediaeval Baebes, Aria

I have wist, sin I couthe meen,
That children hath by candle light

I have wist, sin I couthe meen,
That children hath by candle light
Her shadewe on the wal iseen,
And ronne therafter all the night.

Bisy aboute they han they han ben
And whom they catchen it best wolde wene

I have wist, sin I couthe meen,
That children hath by candle light
For no lines that they couthe lay.
To this world and yesterday.

Bisy aboute they han they han ben
And whom they catchen it best wolde wene

I have wist, sin I couthe meen,
That children hath by candle light
Her shadewe on the wal iseen,
And ronne therafter all the night.

Bisy aboute they han they han ben
And whom they catchen it best wolde wene
Bisy aboute they han they han ben
And whom they catchen it best wolde wene...
