

# Mediaeval Baebes, The Work Of The Lord

Hallelujah! Hallelujah!  
Dies irae  
Eres mu.  
Hallelujah! Hallelujah!  
Dies irae  
Eres mu Christe.

Domine Jesu  
Desire irae (?) ma Jesu  
Il est irae  
Et vien (?) toulous Christe

Then it is better  
To bring him to the fear  
His head began to swell with Thine  
And bore the pain of Thou.

And to cause my death  
For all my service  
Now take my liege.  
Just take it all for Thee.  
I am bounded to endure.

Hallelujah! Hallelujah!  
Dies irae  
Eres mu Christe.
