

# Medina, Lonely

I can never forget  
The way you held your arms around me  
I guess I have to admit  
I was afraid to end up lonely

Can't imagine life without you  
Cause I don't wanna have another lover  
Yes I adore you  
But I won't be coming back

Did it make you feel good to see me hurt  
To see me hurting  
Happy to see you broke me first  
Hey baby do you believe  
You gave me what you thought I deserve  
Do you believe you conquered what

Are you lonely  
I hope you're feeling lonely  
Baby are you lonely  
I hope you're feeling lonely

How could you forget  
I was the one you kept on blaming  
You said I made you upset  
It wasn't true what you were claiming

And there will be no regrets  
This time I think I leave you hanging  
No there is no longer you and I you and I  
Cause you later ground stranded  
So tell me baby

Did it make you feel good to see me hurt  
To see me hurting  
Happy to see you broke me first  
Hey baby do you believe  
You gave me what you thought I deserve  
Do you believe you conquered what

Are you lonely  
I hope you're feeling lonely  
Baby are you lonely  
I hope you're feeling lonely

Hey, for leaving me  
Leaving me  
For leaving me  
Leaving me

Lea, lea, lea, leaving me  
Lea, lea, lea, leaving me  
Lea, lea, lea, leaving me  
Lea, lea, lea, leaving me

Are you lonely  
I hope you're feeling lonely  
Baby are you lonely  
I hope you're feeling lonely

Are you lonely  
So tell me  
Baby are you lonely  
Baby are you lonely

So tell me  
Baby are you lonely  
Baby are you lonely  
For leaving me
