

Medulla, Thrills

The world is calling
My life is glowing
The time is now

The Earth is growing
My dreams are flowing
It's here, it's now

Yeah, yeah, yeah, yeah
It's here, it's now
Yeah, yeah, yeah, yeah,
It's here, it's now

The world is calling
My life is glowing
The time is now

The Earth is growing
My dreams are flowing
It's here, it's now

Yeah, yeah, yeah, yeah
It's here, it's now
Yeah, yeah, yeah, yeah,
It's here, it's now
