

MEDUZA, Bad Memories (ft. James Carter, Elley

One more drink she said, I think I'm losing my head now
Tonight we'll make Bad Memories
One more drink she said, we know there's no turning back now
We'll have to make Bad Memories
One more drink she said, I think I'm losing my head now
Tonight we'll make Bad Memories
One more drink she said, we know there's no turning back now
We'll have to make Bad Memories

One more drink she said, I think I'm losing my head now
Tonight we'll make Bad Memories
One more drink she said, I think I'm losing my head now
I think I'm losing my head now
My head now
Losing my head now
My head now
Think I'm losing my head now
My head now
Again and again
