

Meet The Feebles, Sodomy

Sodomy

You must think it's very odd of me
That I enjoy the act of sodomy
You might call the wrath of God on me
But if you try it, then you might agree
That you enjoy the act of sodomy...

Don't worry if you feel afraid
It's been around for years
Thousands more that can't be named
Are interested in rears
Don't worry about Hell
No harm will come to your soul
We're not all pentacostal
But everybody's got an asshole...

Let me tell you 'bout sodomy
You must think it's very odd of me
That I enjoy the act of sodomy
You might call the wrath of God on me
But if you try it, then you might agree
That you enjoy the act of sodomy...

It might just improve your sex
A hard act to follow
The fact that fundamentalists find
Difficult to swallow
So join me as I sing
Of an activity that's fun
Open up your ring
and try it front-to-bum!
Bum-bum!
Bum-bum-bum-bum-bum-bum-bum-bum-bum

Sodomy

You must think it's very odd of me
That I enjoy the act of sodomy
You might call the wrath of God on me
But if you try it, then you might agree
That you enjoy the act of sodomy...

SODOMY!!!

Trevor?

Yes boss?

I want that fudge packer eliminated!
