Megadeth, A Tout Le Monde

Don't remember where I was I realized life was a game The more seriously I took things The harder the rules became I had no idea what it'd cost My life passed before my eyes I found out how little I accomplished All my plans denied

So as you read this know my friends I'd love to stay with you all Please smile when you think of me My body's gone that's all

A tout le monde (To all the world)
A tous mes amis (To all my friends)
Je vous aime (I love you)
Je dois partir (I have to leave)
These are the last words
I'll ever speak
And they'll set me free

If my heart was still alive I know it would surely break And my memories left with you There's nothing more to say

Moving on is a simple thing What it leaves behind is hard You know the sleeping feel no more pain And the living are scarred

A tout le monde (To all the world)
A tous mes amis (To all my friends)
Je vous aime (I love you)
Je dois partir (I have to leave)
These are the last words
I'll ever speak
And they'll set me free

So as you read this know my friends I'd love to stay with you all Please, smile, smile when you think about me My body's gone that's all

A tout le monde (To all the world)
A tous mes amis (To all my friends)
Je vous aime (I love you)
Je dois partir (I have to leave)
These are the last words
I'll ever speak
And they'll set me free

A tout le monde (To all the world)
A tous mes amis (To all my friends)
Je vous aime (I love you)
Je dois partir (I have to leave)
These are the last words
I'll ever speak
And they'll set me free
