

Megadeth, Captive Honour

Madness comes, and madness goes
An insane place, with insane moves
Battles without, for battles within
Where evil lives and evil rules
Breaking them up, just breaking them in
Quickest way out, quickest relief wins
Never disclose, never betray
Cease to speak or cease to breathe
And when you kill a man, you're a murderer
Kill many, and you're a conqueror
Kill them all...Ooh...Oh you're a god!

Ladies and gentlemen of the jury,
Have you reached a verdict?

Yes, we have Your Honour, we find the defendant guilty!
On all counts for crimes against all humanity.

By virtue of the jury's decision and the power
Vested in me by the state I hereby sentence you to be
Incarcerated with no possibility of parole for life

Life?...Whadda ya mean life?...I ain't got a life

Boy!...Your soul better belong to Jesus!...
Hmmm-mmm cause your ass belongs to me!

Captive honour, ain't no honour

No time for questions
No time for the games
Start kicking ass
And taking down the names
A long shit list
A shorter fuse
He is untouchable
And guarantees you'll lose

Inside the bighouse
His nightmare unfolds
Before he got there
His manpussy was sold
Black blanket welcome
This tough guy's now a bitch
Praying for death
It can't be worse than this
