

# Megadeth, These Boots

You keep saying you got something for me  
Something you call love, but I call sex  
You've been kissing when you ought-to-be-a-screwing  
And now someone else can kiss your ass

These boots are made for walking  
And that's just what they'll do  
One of these days these boots  
Are gonna walk all over you

You been lying and there ain't no believing  
And you keep samin' when you ought to not bet  
You been staying when you ought-to-be-a-leaving  
Now whats right is right but you ain't been right yet

These boots are made for walking  
And that's just what they'll do  
One of these days these boots  
Are gonna walk all over you

You keep dressing ways you shouldn't be dressing  
And you keep thinking that you'll never get burned, ha!  
I just found me a brand new box spring mattress  
What you know, bitch, you got a lot to learn

These boots are made for walking  
That's just what they'll do  
One of these days these boots  
Are gonna stomp all over you

Yeah

Are you ready boots?  
Are you ready boots?  
Are you ready boots?  
Start walking!

And you think I'm kidding, don't ya?!
