United Abominations
Music and Lyrics Dave Mustaine

Within striking distance from Ground Zero sits a smoldering international cauldron, the United Abom

In a mire of hypocrisy, ignores sex crimes by its blue helmets, and enables terrorism, so in the end

Ambassadors from countries otherwise known as "The Catastrophe" enjoy Diplomatic i

Poverty in their kitchens
Held hostage by oil-for-food
Yet their own plates are full off the fat of their lands
There's no blood on their hands, right Gojo?
They promised to tell the truth
Without leaving a fingerprint.
They will lose the UN one way or another.
The victim, I fear will be us, sisters and brothers!

The UN is right; you can't be any more un
than you are right now, the UN is undone.
Another mushroom cloud, another smoking gun.
The threat is real, the Locust King has come.
Don't tell me the truth; I don't like what they've done.
It's payback time, at the United Abominations.

A grave and gathering danger
the decision to attack
based on secret intelligence, it'll take years
I fear to undo the failings in Iraq.
You may bury the bodies
but you can't bury the crimes.
Only fools stand up and really lay down their arms
No, not me, not when Death lasts forever

The UN is right; you can't be any more un
Than you are right now, the UN is undone.
Another mushroom cloud, another smoking gun.
The threat is real, the Locust King has come.
Don't tell me the truth; I don't like what they've done.
It's payback time.

(Foriegn speakers talking)

The UN is right; you can't be any more un
Than you are right now, the UN is undone.
Another mushroom cloud, another smoking gun.
The threat is real, the Locust King has come.

The UN is right; you can't be any more un
Than you are right now, the UN is undone.
Another mushroom cloud, another smoking gun.
The threat is real, the Locust King has come.
Don't tell me the truth; I don't like what they've done.
It's payback time, at the United Abominations.
