

Megamasso, Mothermage=bounce

Their morale has risen enough.

The ceremony ended.

To accept unknown people, our consideration
could do nothing but be contaminated.

All advance dreamlike if it does so.

An important situation for this territory
also dulled their own sense, and it ran away.

The intentions of men who came with
the helicopter are to rule the territory.

It doesn't know such a thing, and they
unfold various stories this night.

There are meeting and a separation.

Everything is consolidated in this tower.

Denkai no taenaru o shire.
