

# Megan McCauley, Hey Aimee

I have you to thank for showing me that  
I am not...okay  
I want to help you  
to dig your own way  
just to prove that I'm insane  
I want you to know  
I kill the seeds you sow  
I want you to pay  
I'll make you bleed some day  
I can see right through the evil shit  
you do and I believe  
make it all come back on me today  
strangled by your lies  
maybe I shouldn't be so kind  
I want you to know  
I kill the seeds you sow  
I want you to pay  
I'll make you bleed some day  
I want you to know  
I kill the seeds you sow  
I want you to pay  
I'll make you bleed some day  
Uhhh uhh uh uh uh  
Uhhh uhh uh uh uh  
I want you to know  
I kill the seeds you sow  
I want you to pay  
I'll make you bleed some day  
I want you to know  
I kill the seeds you sow  
I want you to pay  
I'll make you bleed some day
