

# Megan Nicole, Electrified

And I'm feeling so electrified  
You got me burning  
You got me falling baby  
And I'm feeling so electrified

Excuse if I'm being rude,  
But I don't mean to stare  
I think I've seen you but I really can't remember where  
Your eyes are bluer than I really ever could forget  
I need to look away  
Oh no, oh no  
I see you walking my way  
and I don't know what to say  
Hello, hello now here I go again

Hey hey, you got me spinning  
Hey hey, you got me going crazy  
And I'm feeling so electrified  
Hey hey, you got me burning  
Hey hey, you got me falling baby  
And I'm feeling so electrified

And when we talk it's like I knew you in another life  
You got me hooked so baby, this can't be just for a night  
Your words are soft so I believe every time you say  
You've never felt this way!

Oh no, oh no  
I've heard this lie before  
It's something I can't ignore  
Oh no, oh no  
Now here I go again!

Hey hey, you got me spinning  
Hey hey, you got me going crazy  
And I'm feeling so electrified  
Hey hey, you got me burning  
Hey hey, you got me falling baby  
And I'm feeling so electrified

Feel the rush when sparks heat  
Feel my skipping heartbeat,  
You know you caught me by surprise  
And now I'm feeling alive!

And I'm feeling so electrified

Hey hey, you got me spinning  
Hey hey, you got me going crazy  
And I'm feeling so electrified  
Hey hey, you got me burning  
Hey hey, you got me falling baby  
And I'm feeling so electrified
