[Verse 3: Megan Thee Stallion]
I don't be stressin' 'bout none of these niggas
When they be talkin', I don't even listen
Tellin' me secrets, I probably forget it
But I'ma tune in when he say he gon' lick it
He told 'em send me a pic 'cause he miss me
I told him send me a stack if he really
I don't be trusting these tricks 'cause they tricky
Send him a pic of somebody else titties
I'm a finesser and I'm a fly dresser
Move to the top floor and flew in my dresser
My bitches hustle, make money together
Your bitches birds and they flockin' together
I can't decide if I want the new Louis
Dapper Dan yellow, I'm always in Gucci
Your mama don't bring your dad to the mall
'Cause when he be in there she know he be choosin'

[Chorus: Megan Thee Stallion]
I can't be fucked with, no
Ho, you can't touch this, ayy
Bitch, I do rich shit, huh
My money thick thick, ayy
Walk with a limp, limp, huh
I'm on some pimp shit, ayy
He say, "You all about money," yeah
I'm on that cash shit, huh
I'm in my bag, bitch, huh
I'm on your ass, bitch, huh
I'm in that new new shit
You on that last year, huh
Bitch, I do pimp shit, huh
Ho, you on simp shit, ayy
He say, "You all about money," yeah
