

Megan Thee Stallion, Down Stairs DJ

(Honorable C.N.O.T.E.)

Ayy, ayy, ayy, ayy

Ayy, I love my pussy and my pussy love me
Play with her for a lil' while, then fall asleep
Asked the jeweler, "Can you make a crown shaped like a V?"
'Cause the bitch is a queen and she need a lil' bling
Two fingers give me peace, switch hands, finna cheat
Then I sleep in my own wet spot in the sheets
Nigga can't stress me if he can't sex me
Finna get lockjaw tryna impress me

Me, myself, and I, and a rose
Ebony, lezzy, XVideos
Big titty, blonde hair, Anna Nicole
Spicy Spanish hottie, nympho
Niggas call that pussy rap, really I'm just being fat
You can call me Baby D' 'cause I love to talk snacks
On the ones and the twos how I'm spinning my shit
It's DJ French Tip heavy in the mix

Ayy, I love my pussy and my pussy love me
Play with it for a lil' while, then fall asleep

Popped out like I been in the toaster
Put a ring on it like a bitch need a coaster
Niggas looking for me like I'm on a wanted poster
How the fuck is you a player if a nigga coach you?
I'm a dime and the bitch is a penny loafer
Walk in, serve body, category over
Got a real famous cat like my name Doja
With a real sweet pearl, what's tea? Boba
Ayy, solo
In this bitch going dumb dolo (Dolo)
How I got this shit looking, lathered up, no soap (No soap)
Pimp juice, niggas don't deserve all this mojo (Yeah)
Bet he reminiscin' every time I post a photo
Ayy, ready, player one, fight
Arcade mode 'til the batteries die
Way I'm finna nut, let the CPU decide
