He know who I am, ain't had to say my name
Stack it up like Tetris but this money ain't a game
□□□□□□□□□□
Drinkin' out the bottle, gettin' twisted, maruchan
Big exotic, Hermes, this a croc'
Watch too expensive, ain't no way I'm gettin' clocked
I think I'm so sexy, every shirt I own is cropped
So many karats, diamonds do the bunny hop (Ah)
In the US or Japan, if he meet me, he gon' bow
I got yen for your friends, if they pretty bring 'em out
Goin' dumb in Madam Woo, pourin' sake in they mouth
Told him put me on his plate, bring them chopsticks to the south

I get money, I'm a star
Star, star, star, star, star, star
I get money, I'm a star
Star, star, star, star, star, star
