Must be somethin' in the water, Miss Lady thick
Swimmin' pool, plenty drip, take a dip

Skinny dippin' like the best, take a dive
Splash, dive, splash, dive, she gon' slip and slide (Yeah, yeah, yeah, yeah)
Splash, dive, splash, dive, she gon' slip and slide (Real hot girl shit)

It must be somethin' in the water, look how that ass sit
He want a bad bitch, Megan Thee Stallion
I'm just like water in your palm
These niggas can't hold me for long
You could tell that how I walk that it's bomb
He be actin' a fool, but I'm calm
Good pussy don't beg for attention
Wet pussy, got people dry-dissin'
Ask your nigga, he know who that bitch is
Hmm, who? Me
I put ass on the TL, it's poppin'
Play my song in the club, get it rockin'
Got a nigga butt-hurt like I'm toppin'
From the H, niggas love how I rock it
On a yacht in Miami with papi
Same bitches got hoes in the lobby
With my trick in Bal Harbour, we shoppin'
At the bar like, "Lemon drop me"
Y'all hoes gotta make up shit to convince yourself that I'm not that bitch
So scared I'ma fuck your man, I ain't want no dick that a broke ho had
Y'all itchin' to go back and forth, I ain't worried about nothin' that a broke ho said
A bitch can't get a rise out of me 'cause I know that ho ain't makin' no bread

Must be somethin' in the water, Miss Lady thick
Swimmin' pool, plenty drip, take a dip
Must be somethin' in the water, Miss Lady fine
Skinny dippin' like the best, take a dive

Splash down, wet down, we gon' slip and slide
Hydro with this plane and that's what I'ma drive
Tooted up, tooted up what I prescribe
She off in rotation like these Forgi' tires
Tightrope on the table how she tip and toe and snap
Please don't be surprised when all the players give me dap
Dapper than the Dan, money in my pants keep your life afloat
Fuck a wave, to survive this tide, you gon' need a boat

Must be somethin' in the water, Miss Lady thick (Thick)
Swimmin' pool, plenty drip, take a dip (Yeah, yeah)
Must be somethin' in the water, Miss Lady fine (Ah, yeah)
Skinny dippin' like the best, take a dive

I'm from Splash Town, H-Town, I'ma slip and slide (Ah)

Tooted up, tooted up, I'ma take 'em down
