Fucked him good, now he shakin', call that nigga crazy legs

Mixin' blue with the green hundreds, that shit look like crazy bread

That ain't my man, but that's my man, though, so watch your hands, ho

He tryna holler when you ain't looking, just stop shakin' his hand, bro

Told that nigga give me the money, don't know what you playin' for

This expensive, don't be touchin' on what you ain't payin' for

Eat my coochie, let's make a movie, nigga

The only L I hold got that V right there next to it

My pussy tight, but I might let him add some stretch to it, ah

[Chorus: Lil Durk & Megan Thee Stallion]

Tell her shake it, drop her friends off, and take her pants off

Tell him spend it, you ain't got no money, keep your hands off

Chain one-eighty, it's expensive, bitch, just keep your hands off
