

# Megan Thee Stallion, Tuned In Freestyle

[Intro]

This goes out to all y'all tuned in  
The hotties, the secret hotties, all you motherfuckers  
(What Juicy say? He be like, "Shut the fuck up")

[Verse 1]

Talk about something y'all like, stop talkin' 'bout me  
Since y'all hate a bitch so much  
The way broke bitches comin' for me, know it gotta be free  
But I get paid when I show up  
Pressed, stressed, obsessed, I got 'em  
Everything I do keep another bitch talkin'  
Watching my back 'cause these dudes be stalkin'  
Watching my plate, got these broke hoes starvin'  
Damn, you hoes hate me  
Ridin' dick so hard, havin' babies  
Y'all bitches so ugh, stop it  
Making everything but a deposit, yeah  
Killin' bitches, send 'em to the Gulag  
Hot girl shit, never let 'em cool off  
Make him do what I say, he my voodoo doll  
Backshots, balcony, we don't care who saw  
One thing about me that you need to know  
I ain't nothin' like none of these average hoes  
"'Cause I fucking want to," if they ask me, "Why?"  
I'm from the Southside, niggas can't make me cry (Ah)  
Nigga, this head game lethal  
Use my tongue, put thread through a needle  
Bitch, I'm a movie, these hoes my sequels  
Keep a pussy hoe real tight like a kegal (Yeah)  
Self-esteem high, bank account full  
Hoes goin' blind tryna look at my jewels  
Ass real fat and my pussy get chewed  
If I worried 'bout the hate, I'd be a damn fool (Fool)

[Interlude]

If I was worried 'bout y'all niggas how y'all be worried about me  
I'd be fucked up, too, ayy

[Verse 2]

Your Instagram account seein' more interactions  
Than your bank account seein' any transactions  
Love to talk shit, whole time, I'm laughin'  
I'll never give a bum bitch satisfaction  
Why? I'm way too player  
Hoes love sayin' they a demon, I'm a prayer  
Drop a lil' verse when they get to actin' up  
Put my hand in her face, send her back where she from, uh  
Bitch, I'm 'bout my money  
Pussy out when I'm feelin' real cunty  
He like 'em thick with the accent country  
Sell his soul for a sniff of my undies  
I'll walk the soul out you like some tennis shoes  
I'm finna bust that pussy wide like ten-to-two  
I got a nigga, but I find some of you bitches cute  
Cut the convo short, fuck an interview  
And when I show my wild side, make 'em doo-doo-doo  
I got these niggas blushin', lookin' like they Pikachu  
I'm the hot girl, feelin' like Charizard  
And he know he finna win if he get my card (Ah)

[Outro]

Real motherfuckin' hot girl shit, ah
