

Megan Thee Stallion, Worthy

Huh

I'm a real bad bitch, I ain't takin' no shit
'Cause I look too good to be beggin' for some dick

Blocked and I'm not callin' back
I ain't finna let him treat me like that
'Cause I'm worthy, not worthless
I shouldn't have to beg for your love, I deserve it
On the cool, this nigga probably tryna trap me
You ain't real enough to be my first baby daddy (Uh-uh)
You the type to get your feelings hurt and start chattin'
Drama like a Broadway play, stop actin'
I got great value, but can't let him treat me like the off brand
Won't find a bad bitch lookin' for a bargain
He a user, tryna figure out the login
You ain't even talkin' 'bout nothin', stop callin'

I'm so precious
I'm so down South, I'm Texas
I'm missed by all my exes
I make these bitches jealous
I'm not the one to play with
I'm too much for you, find somethin' basic
Sexy, sophisticated
I serve, but I ain't waitin', ah

I'm worthy, not worthless
I'm worthy, not worthless
I'm worthy, not worthless
I'm worthy, not worthless
I'm worthy, not worthless
I'm worthy, not worthless
I'm worthy, not worthless
I'm worthy, not worthless

I feel like a gold man, attractin' these demons
The way that I exercise, might be a priestess
The Reese's got him writin' think pieces
The way hoes study me, I need to be teachin'
You can't humble me if you ain't fundin' me
I'll cut a nigga off and sleep comfortably
If I'm payin' all the bills, please be for real
I ain't settling for less and I never will

Probably would admit, you ain't shit
I'm way too fine to be begging for some dick
A lil' time is all you had to give
I do not know the last time that you gave me a gift

I'm so precious
I'm so down South, I'm Texas
I'm missed by all my exes
I make these bitches jealous
I'm not the one to play with
I'm too much for you, find somethin' basic
Sexy, sophisticated
I serve, but I ain't waitin', ah

I'm worthy, not worthless
I'm worthy, not worthless
I'm worthy, not worthless
I'm worthy, not worthless
I'm worthy, not worthless
I'm worthy, not worthless

I'm worthy, not worthless
I'm worthy, not worthless
