

Meghan Trainor, Dear Future Husband

Dear future husband
Here's a few things you need to know
If you want to be my one and only all my life

Take me on a date
I deserve a bake
And don't forget the flowers
Every anniversary
Cause if you treat me right
I'll be the perfect wife
Buyin groceries, buy, buy what you need
You got that nine to five, but baby so do I
So don't be thinking I'll be home and baking apple pies
I never learned to cook
But I can write a hook
Sing along with me
Sing, sing along with me

You gotta know how to treat me like a lady
Even when I'm acting crazy
Tell me everything's alright
Dear future husband
Here's a few things you need to know
If you want to be my one and only all my life
Dear future husband
If you wanna get that special loving
Tell me I'm beautiful each and every night

After every fight just apologize
And maybe then I'll let you try and rub my body right
Even if I was wrong
You know I'm never wrong
Why disagree, why, why disagree
You gotta know how to treat me like a lady
Even when I'm acting crazy
Tell me everything's alright

Dear future husband
Here's a few things you need to know
If you want to be my one and only all my life
Dear future husband
Make time for me, don't leave me lonely
And no, we'll never see your family more than mine

I'll be sleeping on the left side of the bed
Open the doors for me and you might get some, kisses
Don't have a dirty mind,
Just be a classy guy
Buy me a ring, buy, buy me a ring
You gotta know how to treat me like a lady
Even when I'm acting crazy
Tell me everything's alright

Dear future husband
Here's a few things you need to know
If you want to be my one and only all my life
Dear future husband
If you wanna get that special loving
Tell me I'm beautiful each and every night
Oh wo-ah future husband
Better love me right
