

Meghan Trainor, Final Breath

I hope we meet again
After it all
If only time could bend
I'd go back to the start

If I could
I'd do it over again
Hmm-mmm, mmm-mmm
'Cause I'm good growin' old
With my friend
Hmm-mmm-mmm-mmm

And we'd be layin' there
Your hand in my hand
I'll look at you
And see the memories we had
And the words I'd choose
For my final breath
Will be, "I love you"

Do you remember me
From lifetimes before?
It feels like eternity
But I, I want more

If I could
I'd do it over again
Mmm, hmm, mmm-mmm
'Cause I'm good growin' old
With my friend
Hmm-mmm-mmm-mmm

And we'd be layin' there
Your hand in my hand
I'd look at you
And see the memories we had
And the words I'd choose
For my final breath
Will be, "I love you"
