

Meghan Trainor, Make A Move

I'd make a move, if I was you
Darlin', I'd make a move, if I was you

[Refren]

Yeah, if it was me, yeah
I'd love on me too, yeah
Oh, don't you know if I was in your shoes
I'd probably make a move, make a move, make a move
Yeah, if it was me, yeah
I'd love on me too, yeah
Oh, no, there ain't a thing I wouldn't do
I'd probably make a move, make a move, make a move

[Zwrotka]

I'd shoot my shot
Hope it goes swish
I'd buy her treats, put diamonds all on her wrists
She knows she's hot
So, I wouldn't quit
Know that it's workin' as soon as she bite her lip

Baby, don't you bother with them pick up lines
Bad girls hear that bull shit all of the time
Take or leave a little advice for you
I can't tell you what to do

[Refren]

But if it was me, yeah
I'd love on me too, yeah
Oh, don't you know if I was in your shoes
I'd probably make a move, make a move, make a move
Yeah, if it was me, yeah
I'd love on me too, yeah
Oh, no, there ain't a thing I wouldn't do
I'd probably make a move, make a move, make a move

[Zwrotka]

Oh, I would be romantic
And I would take her dancing, yeah!
'Cause that's that rom-com shit she likes
Yeah, she likes, yeah, she likes

She loves it when you flirt
Be sweeter than dessert
Go tell her that she's fine as hell, that never hurts
And, darlin', take or leave my little advice for you
I can't tell you what to do

[Refren]

Yeah, if it was me, yeah
I'd love on me too, yeah
Oh, don't you know if I was in your shoes
I'd probably make a move, make a move, make a move
Yeah, if it was me, yeah
I'd love on me too, yeah
Oh, no, there ain't a thing I wouldn't do
I'd probably make a move, make a move, make a move
I'd probably make a move, make a move, make a move
