

# Meghan Trainor, Mama Wanna Mambo (feat. Natti Natasha)

Thank you so much Meghan  
I look forward to play in your track

Mama wanna mambo, mambo  
Mama wanna mambo, mambo  
Baby, why don't we go, we go  
Somewhere we can mambo, mambo?

Spin me round and around  
I've been running, running round and around  
I'm in need, I think I need a night out  
Baby, where you gonna take me right now?

Where we can drop it low  
Baby, keep it hot or keep it tropical  
Left and to the right  
We 'bout to rock the boat  
People gonna stare but let 'em watch, watch the show

Mama wanna mambo, mambo  
Mama wanna mambo, mambo  
Baby, why don't we go, we go  
Somewhere we can mambo, mambo? (Ayy)  
Mama wanna mambo, mambo  
Mama wanna mambo, mambo  
Baby, why don't we go, we go  
Somewhere we can mambo, mambo? (Rude gyal)

If you like it like that (Ah)  
Poco makeup, natural (Yeah)  
I bet you if you throw yo' pitch, I'ma swing it right back (Right)  
I'm Natasha, nice to meet you, pero dime "Natti Nat"  
Me suelto little by little, no rushin', baby, relax (Ah)  
Sé que está loco de probar mi domi flavor (Wuh)  
Papi, yo también cuando te vi te puse label (Dime)  
Y date dos shots, and can you please do me a favor?  
Come and be my guest, let's mambo now, no quiero later

Mama wanna mambo, mambo  
Mama wanna mambo, mambo  
Baby, why don't we go, we go  
Somewhere we can mambo, mambo? (Mambo)  
Mama wanna mambo, mambo  
Mama wanna mambo, mambo  
Baby, why don't we go, we go  
Somewhere we can mambo, mambo?

Arturo
