

Meja, Hippies In The 60's

I don need therapy
I don need Disney (to be happy)
I don need you to tell me
I don need TV (to be happy)

I don need to get laid
I don need an upgrade(to be happy)
I don need looks that won fade
I don need to get paid(to be happy)

Chorus
Hippies in the 60's
wore flowers in their hair
I can still feel the
love vibrations in the air
Hippies in the 60's
knew money isn God
I wish I was there

I don need celebrity
I don need ecstasy (to be happy)
I don need plastic surgery
I just wanna to be free(to be happy)

Sit on a granite boulder
let the sunshine warm your skin
Turn on,turn on, drop out, drop out
tune in

Chorus
