

# Meja, I'm Missing You

I miss your love, since you've been gone  
I find it hard to go on  
The summer sky don't mean a thing  
I thought I'd always be strong  
I got a feeling inside  
and it's making my heart cry, cause

I'm missing you  
and it's making me blue, yeah  
I'm missing you  
but what can I do  
Thousand miles away, from you

So here I am, and everything's new  
I should be happy in love  
but all I know, I look deep in my eyes  
I've never felt so alone  
and this feeling inside  
it's making my heart cry, cause

I'm missing you  
and it's making me blue, yeah  
I'm missing you  
but what can I do  
Thousand miles away, from you

So what's the meaning of this  
to be living like this  
it ain't no fun at all  
I wonder where are you now  
(I wonder where are you now)

I miss your love since you been gone  
I find it hard to go on  
and this feeling inside  
I just break down and cry
