

# Meja, Intimacy

Last night before you fell asleep  
You whispered something to me  
Was it just a dream?  
I'm gonna listen to you close  
Cause your butterfly kiss  
Felt like a ghost

What are you trying to say to me?  
What are you trying to say?

Everybody searching for intimacy  
Everybody hurting for intimacy

We come into this world alone  
From the higher darkness  
The infinite unknown  
We're only here a little while  
And I feel safe and warm  
when I see your smile

Baby don't move away from me  
Baby don't pull away

Everybody searching for intimacy  
Everybody hurting for intimacy

Remember when you were a child  
And your mama  
Would hold you in her arms  
And rock you to sleep  
Now darling there's just you and I  
Let's give each other everything  
Baby, baby

Everybody searching for intimacy  
Everybody hurting for intimacy

Baby, come and lay down next to me....

Cause everybody searching for intimacy....
