

Meja, Intimacy

Last night before you fell asleep
You whispered something to me
Was it just a dream?
I'm gonna listen to you close
Cause your butterfly kiss
Felt like a ghost

What are you trying to say to me?
What are you trying to say?

Everybody searching for intimacy
Everybody hurting for intimacy

We come into this world alone
From the higher darkness
The infinite unknown
We're only here a little while
And I feel safe and warm
when I see your smile

Baby don't move away from me
Baby don't pull away

Everybody searching for intimacy
Everybody hurting for intimacy

Remember when you were a child
And your mama
Would hold you in her arms
And rock you to sleep
Now darling there's just you and I
Let's give each other everything
Baby, baby

Everybody searching for intimacy
Everybody hurting for intimacy

Baby, come and lay down next to me....

Cause everybody searching for intimacy....
