

# Mel B, Music of the Night (Perdido)

Maria, this senorita never has to dance alone  
Surrender, to the music vibrating in her soul  
She's flying, into another world her body spins  
To sunrise, she doesn't want the night to ever end  
Mariposa, es tiempo de volar  
Mariposa, es tiempo de volar  
Ay ay ay "she's giving it"  
Ay ay ay "she's giving it"  
Ay ay ay  
Perdido, en el sonido  
Esta noche, Todos dancing  
To the Music of the night  
Come on everybody  
Perdido, en el sonido  
Esta noche, Todos dancing  
To the Music of the night  
Come on everybody  
Maria, this senorita she can work the dance floor  
Emotions, gets a little more crazy than before  
With passion, she's lost to the rhythm and the heat  
On fire, into the night she'll be dancing in her sleep?  
Mariposa, es tiempo de volar  
Mariposa, es tiempo de volar  
Ay ay ay "she's giving it"  
Ay ay ay "she's giving it"  
Ay ay ay  
Perdido, en el sonido  
Esta noche, Todos dancing  
To the Music of the night  
Come on everybody  
Perdido, en el sonido  
Esta noche, Todos dancing  
To the Music of the night
