

Mel C, Ga ga

I dont want your adoration
Dont want your train stoppin at my station
You hurt me, and I'm grateful
I never ever felt anything stranger
Ga ga, crazy
Foolish, for wanting you
Stupid cupid
He's a drag, he's not like you
People say that its insane
We love to feel the pain
And it hurts, yes it hurts
Let it hurt
I don't want emotional hassle
I just want another bite of the apple
Dark thoughts meet satisfaction
We're going to crash, lets make it happen
Ga ga, crazy
Foolish, for wanting you
Stupid cupid
He's a drag he's not like you
People say that its insane
We always go for break
And it hurts, yes it hurts
Let it hurt
This will never be over
And you will always be mine
You've got to feed my hunger baby
I am ready to dine
Ga ga, crazy
Foolish, for wanting you
Stupid cupid
He's a drag he's not like you
Ga ga, crazy
Foolish, for wanting you
Stupid cupid
He's a drag he's not like you
Ga ga
Crazy
Foolish (crazy)
For wanting you
Ga ga
Crazy
Foolish (crazy)
For wanting you
And it hurts, and it hurts, let it hurt
And it hurts, and it hurts, let it hurt
And it hurts, and it hurts, let it hurt
And it hurts, and it hurts, let it hurt
And it hurts...
