

# Mel C, Suddenly Monday

Suddenly Monday appears again  
Where was the weekend? I lost it again  
Ran to the bus stop It's never on time  
I couldn't care less 'Cos you make me feel fine

Whenever I'm down You're always around  
Maybe this time true love I've found  
What would I do If I didn't have you  
The things that you say The things that you do

You make me high  
I wish that you knew, I wish I could tell you  
Together we'd fly  
Open your eyes, start reading my mind

Same conversation every day  
So much to ask you but can't find a way  
Wherever you're going, can I come along?  
Whatever your star sign, wherever you're from

The end of the day And you're still around  
My head's in the clouds, feet on the ground  
Maybe I should, and maybe you would  
Maybe tonight, if only we could

You make me high  
I wish that you knew, I wish I could tell you  
Together we'd fly  
Open your eyes, start reading my mind
