

Mel Tillis, Honky Tonkin'

Well if you're sad and lonely and got no place to go
Call me up sweet mama and bring along some dough
And we'll go honky tonkin' honky tonkin' we'll go honky tonkin' honey baby
We'll go honky tonkin' round this town

[steel - dobro]

Well if you and your sweet daddy have a falling out
Call me up sweet mama and we'll go stepping out
And we'll go honky tonkin'...

[steel - dobro]

Well we're goin' to the city to the city fair
If you come to the city honey you gonna find me there
And we'll go honky tonkin'...
Yes we'll go honky tonkin' round this town
