

Mel Tillis, I Love You Drops

They're not teardrops just sincere drops they're I love you drops cause I love you
They were on my pillow when I woke up this morning
They were on the letter I tried all day to write
And just a little while ago I saw them falling on your picture as I kissed it goodnight
I love you drops I miss you drops hurry home drops you've been gone so long drops
They're not teardrops just sincere drops that say I'm lonesome and I love you

Never knew this heart could hurt the way it hurts for you
Never lived so many lifetimes in a week
Why don't you come back to me the way you said you would
And kiss these softly little crystals off my cheek
I love you drops...
