

Mel Tillis, Something Special

I've been a lot of places and I've seen a lot of faces
I've crossed a lot of bridges and I've even branched through
But when I look behind me the only thing that blinds me
Is a tear that I cry over you
Cause you are something special to me something special as can be
There'll never be another I could love so tenderly
Cause you're something special to me

[piano]

My life is like a highway with many different byways
I've turned a lot of corners haven't missed a lot of signs
I trade all my tomorrows if only I could borrow
Just today I'm through when you were mine
Cause you are something special...
Something special to me
