

# Melanie B (Melanie Brown), Sophisticated Lady

I got this feeling baby,  
Inside it's driving me crazy  
I just don't know what to do

Why don't you get this started  
Body language so inviting  
There ain't nothin that we won't do

Ohhh... Sophisticated lady  
Come and get my loving  
Never get enough of the push and shoving

Ohh... Sophisticated lady  
Changed my name from the B to the G  
so my hubby can get with me

I know that we can make it  
Never ever gonna get it on I'm freakin  
That style don't suite me or you

There are so many reason  
Why our love is so in season  
Thoughts like this keep me straight with you

Ohhh... Sophisticated lady  
Come and get my loving  
Never get enough of the push and shoving

Ohh... Sophisticated lady  
Changed my name from the B to the G  
so my hubby can get with me

Ohh.. Sophisticated Lady

Have we got sound?

Hey yo Mel you ride this beat so well  
Late at night lacing tracks past the midnight bell  
But we don't sweat it though cause the three of us are strong  
With the energy you give babe we can't go wrong

Paris was a city in the heat of the summer time  
When J took the heart of a friend of mine  
Then you gave rings and the vows were done  
And you'll always be together 'cause 2 become 1

Ohhh... Sophisticated lady  
Come and get my loving  
Never get enough of the push and shoving

Ohh... Sophisticated lady  
Changed my name from the B to the G  
so my hubby can get with me

Ohhh... Sophisticated lady  
Come and get my loving  
Never get enough of the push and shovin

Ohh... Sophisticated lady  
Changed my name from the B to the G  
so my hubby can get with me
