

Melanie b, Sophisticated Lady

I got this feeling baby,
Inside it's driving me crazy
I just don't know what to do
Why don't you get this started
Body language so inviting
There ain't nothin' that we won't do

Ohhh... Sophisticated lady
Come and get my loving
Never get enough of the push and shoving

Ohh... Sophisticated lady
Changed my name from the B to the G
so my hubby can get with me

I know that we can make it
Never ever gonna get it on I'm freakin'
That style don't suite me or you

There are so many reason
Why our love is so in season
Thoughts like this keep me straight with you

Ohhh... Sophisticated lady
Come and get my loving
Never get enough of the push and shoving

Ohh... Sophisticated lady
Changed my name from the B to the G
so my hubby can get with me

Ohh.. Sophisticated Lady

Have we got sound?

Hey yo Mel you ride this beat so well
Late at night lacing tracks past the midnight bell
But we don't sweat it though cause the three of us are strong
With the energy you give babe we can't go wrong

Paris was the city in the heat of the summer time
When J took the heart of a friend of mine
Then you gave rings and the vows were done
And you'll always be together 'cause 2 become 1

Ohhh... Sophisticated lady
Come and get my loving
Never get enough of the push and shoving

Ohh... Sophisticated lady
Changed my name from the B to the G
so my hubby can get with me

Ohhh... Sophisticated lady
Come and get my loving
Never get enough of the push and shovin

Ohh... Sophisticated lady
Changed my name from the B to the G
So my hubby can get with me
